Foreword

Products in the Rego section are only intended for use in LP Gas and/or anhydrous ammonia service as follows.

- "A" or "AA" prefix — Products with this prefix are suitable for NH₃ service (i.e., contain no brass parts).
- "AA" prefix on relief valves — These valves are NOT suitable for use with LP Gas service. These are of partial aluminum materials and are listed by Underwriters Laboratories (UL) for NH₃ service only.
- All other products are suitable for use with LP Gas service.
- "SS" prefix - Hydrostatic relief valve with this prefix are suitable for NH₃ service (they have stainless steel materials).

CAUTION - Do not use any product contained in this catalog with any service commodity other than LP Gas or NH₃. If you have another application use need, contact GEC.

Proper application, installation and maintenance of products in this catalog are essential. Users of these products should obtain further information if there are any doubts or questions.

NOTICE - Installation, usage, and maintenance of all products sold by GEC must be in compliance with all applicable instructions as well as requirements and provisions of NFPA #54, NFPA #58,

DOT, ANSI, and all applicable federal, state, provincial and local standards, codes, regulations, and laws.

Inspection and maintenance on a periodic basis is essential. Installation and maintenance should be performed only by qualified personnel. Read and understand before installation, operation and service.

WARNING - All products sold by Gas Equipment Company are mechanical devices that will eventually become inoperative due to wear, corrosion and aging of components made of materials such as rubber. The environment and conditions of use will determine the safe service life of these products. Periodic inspection and maintenance are essential to avoid serious injury and property damage.

Many products sold by GEC are manufactured for storage, transport, transfer, and use of toxic, flammable and dangerous liquids and gases. Such substances should be handled by experienced and trained personnel only, using accepted governmental and industrial safety procedures. Never vent LP Gas near any possible source of ignition.

REMINDER

This is a **GENERAL PRODUCTS CATALOG**. If you would like additional information on any product, please contact GEC and we will help you obtain that information to the best of our ability.

Terms & Conditions Of Sale

1. Possession of this catalog does not constitute an offer to sell by GEC, or the right to purchase from us. **WHOLESALE ONLY.**
2. Orders accepted subject to credit approval. Shipments will be made COD until credit is established, or, if in the opinion of seller, warranted.
3. Terms are Net 30 Days to established credit accounts.
4. No shipment will be made on open account to a customer whose account is past due.
5. Routing of shipments will be made at the discretion of seller, with no liability from the exercise of such discretion. Buyer's routing requests will be followed if possible.
6. No changes in the terms and conditions herein are valid unless agreed to in writing and signed by an officer of the company.
7. Claims for shortage or overcharge must be made within 10 days of receipt of order.
8. Permission must be obtained to return goods for credit, and if not defective, or seller at fault, will be subject to a return handling charge.
9. All returned goods must be accompanied by the invoice number indicating date purchased and price paid.
10. All warranty returns are subject to the manufacturers' warranty policy. In no case do we assume or admit liability for labor, damage, leakage or other claims arising from defective goods. No liability is assumed beyond that of the manufacturer.
11. We assume no liability arising from delays of shipments.
12. No sales or use taxes are included in our prices. We sell to the retail trade & buyer agrees to remit direct to the proper authorities any taxes applicable. In states requiring a resale license number, buyer agrees to furnish his certificate number or other proof of license to buy without paying applicable taxes to us.
13. Prices are FOB shipping points, normally our warehouse. We reserve the right to ship from factories or other points at our discretion.
14. Special delivery to the bus depot is \$10 net; to the airport \$15 net. Each additional parcel is subject to a \$1 charge.
15. It is assumed by seller that possession of this catalog by buyer indicates they have read, understand and agree to these terms & conditions.
16. Immediate inspection of order at time of receipt is necessary to ensure against shipping damage or loss. The shipping company takes responsibility of goods at the time of pickup until delivery to you. Your time is limited in order to process a claim with the shipper in case of damage or loss.

Warranties and Liability

LIMITED WARRANTY: All products sold are warranted by Gas Equipment Co., Inc. (GEC) only to purchasers for resale or for use in purchaser's business if not resold or original equipment manufacture, against defects in workmanship or materials under normal use for one year after date of purchase from GEC, unless otherwise stated in product listing in this catalog. Any part which is determined by GEC to be defective in material or workmanship and returned to a GEC branch, shipping costs prepaid, will be, as the exclusive remedy, repaired or replaced, at GEC's option.

WARRANTY DISCLAIMER: GEC has made a diligent effort to illustrate and describe the products in this catalog accurately; however, such illustrations and descriptions are for the sole purpose of identification, and do not express or imply a warranty that the products are merchantable, or fit for a particular purpose, or that the product will necessarily conform to the illustrations or descriptions. No warranty or affirmation of fact, express or implied, other than as set forth in the limited warranty statement above is made or authorized by GEC.

LIMITATION OF LIABILITY: Any liability for consequential and incidental damages is expressly disclaimed. GEC's liability in all events is limited to, and shall not exceed, the purchase price paid.

PROMPT DISPOSITION: GEC will make a good faith effort for prompt correction or other adjustment with respect to any product which proves to be defective within warranty period. Before returning any product, write or call the GEC location from which the product was purchased, giving date and number of original invoice, and describing defect. Title and risk of loss pass to buyer on delivery to the common carrier.

PRODUCT SUITABILITY: Many states and localities have codes and regulations governing sales, construction, installation, and/or use of products for certain purposes, which may vary from those in neighboring areas. While GEC attempts to

assure that its products comply with such codes, it cannot guarantee compliance, and cannot be responsible for how the product is installed or used. Before purchase and use of a product, please review the product application, and national and local codes and regulations, and be sure that the product, installation, and use will comply with them.

NO WARRANTIES TO CONSUMERS: GEC makes no warranties to those defined as consumers in the Magnuson-Moss Warranty-Federal Trade Commission Improvement Act.

MANUFACTURERS' WARRANTIES AND SALES LITERATURE: Most of the products listed in this catalog are warranted to the final consumer by their manufacturer; copies of such warranties are supplied with the product or are available from the manufacturer. As a service, GEC will obtain copies of consumer warranties from the warrantor and will furnish them free of charge to customers who request them. Address requests to: Gas Equipment Co., Inc., 11616 Harry Hines Blvd., Dallas, TX 75229. Requests must include the GEC order number and the manufacturer's model number of each product for which a copy of the warranty is requested. GEC may also furnish sales brochures and other literature of the manufacturer.

GEC assumes no responsibility for the content of such warranties or sales literature by performing this service.

This is a **GENERAL PRODUCTS CATALOG**. If you would like additional information on any product, please contact GEC and we will help you obtain that information to the best of our ability.
